ATTITUDE OF GRATITUDE

Wrapping up the year with an end of semester gratitude celebration! A lot has happened this Fall semester: from club meetings, evening programs, seminars, service projects, and even our grand Campus Event! Thanks for being with us through this amazing year.

End of Semester Gratitude Celebration

DECEMBER OVERVIEW

CLUB MEETINGS

We had our last two club meetings this semester discussing the value of family and also creating the space to reflect on what we are grateful for. Thank you for everyone who made our weekly club meetings possible. We wouldn't have been able to have the amazing discussions we did without the sincere participation of all our members!

IGNITE- EVENING PROGRAM

Our last IGNITE of the year was on the topic of "Marriage & Family." We had our beloved guest speaker Mr. Bento Leal speak on the current state of families in America and the value of marriage. We were all so inspired by his personal testimonies and the benefits of committed families. This was only Part 1 so be sure to hear Part 2 this coming spring semester!

GRATITUDE CELEBRATION

CARP ended this year with a festive celebration! We had great entertainment and performances given by our very own CARP members ranging from songs, dances, and even magic tricks. Our MCs Youngg-Joo Scharf and Mikuni Tamura lead us through photos and videos to look back on all we accomplished together this semester! We also took time to acknowledge and award some outstanding CARP members for their exceptional work and investment into CARP and their personal growth. We heard from three CARP members about their sincere and honest testimonies of how CARP has impacted their lives and we couldn't have been more inspired. Thank you everyone for this amazing semester with CARP!

GRATITUDE CELEBRATION

LOOKING INTO 2020

SAVE THE DATES!

Goodbye 2019, Hello 2020!

MLK DAY OF SERVICE

January 20th, 2020

Make it a day on and not a day off!
Join us to serve in the community of Oakland.
As said by Martin Luther King Jr.,
"Everybody can be great, because anybody can serve"

GLADIATOR DAY

Date to be determined

Come out and represent CARP to our student community! We will be tabling with other clubs to share our message of "Peace Starts with Me." Stay tuned for more information on how you can be a part of sharing the message to incoming students!
